

Comprehensive Guide to 20 Essential Data Visualization Charts

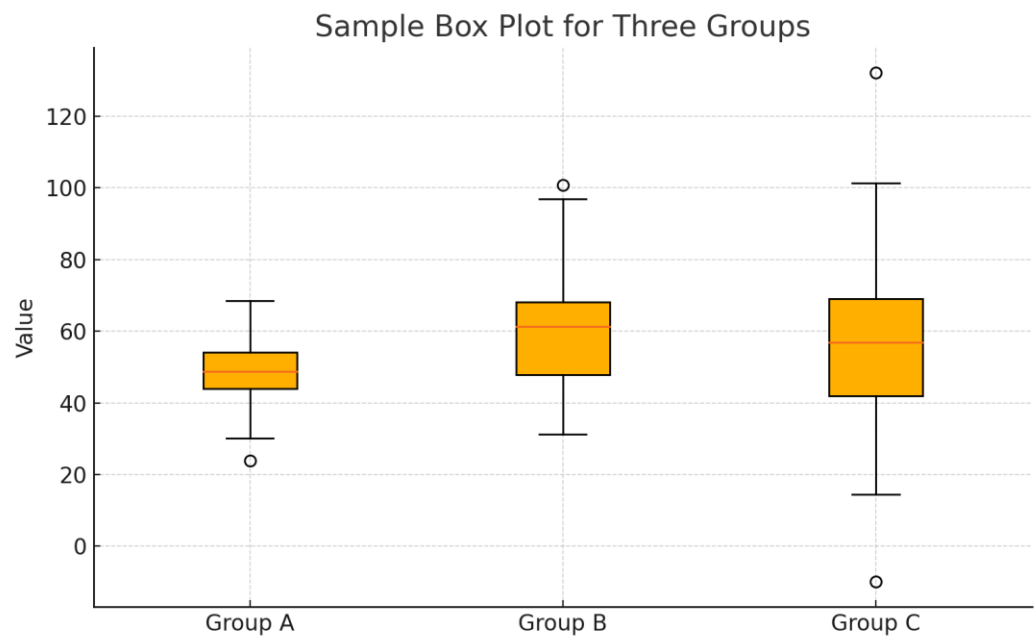

Histogram

This section includes a visualization for Histogram.

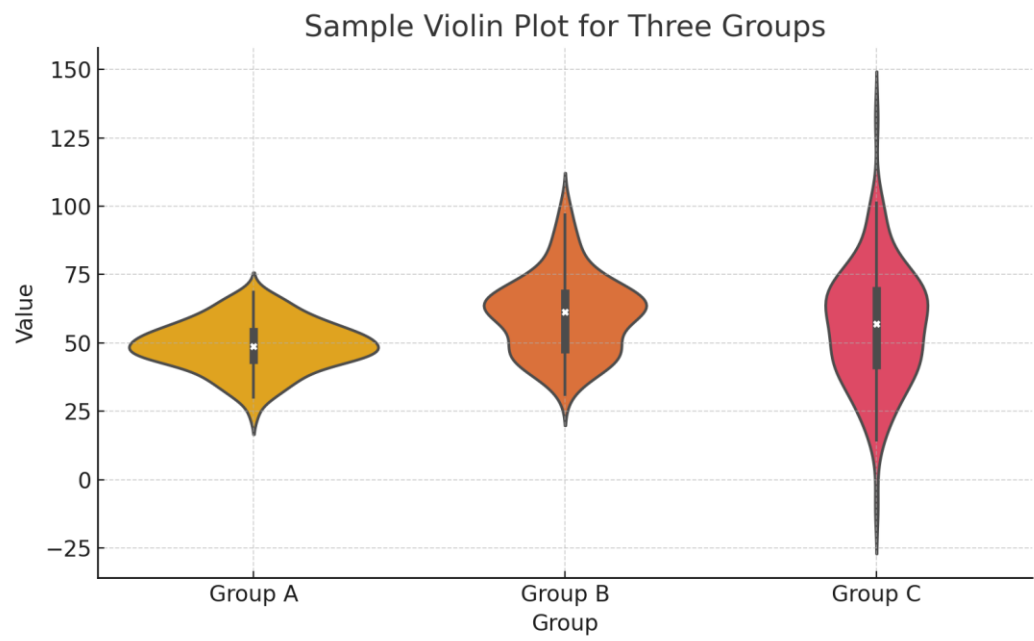

Box Plot

This section includes a visualization for Box Plot.

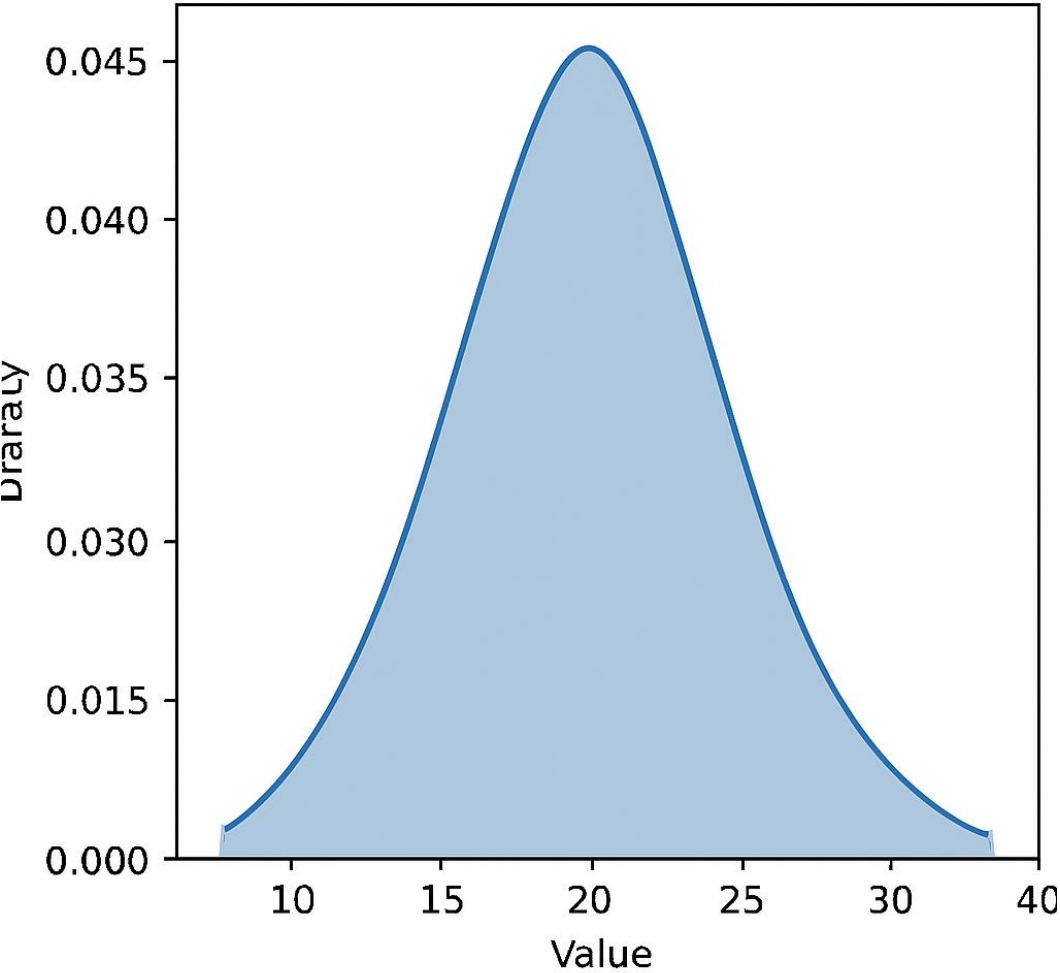

Violin Plot

This section includes a visualization for Violin Plot.

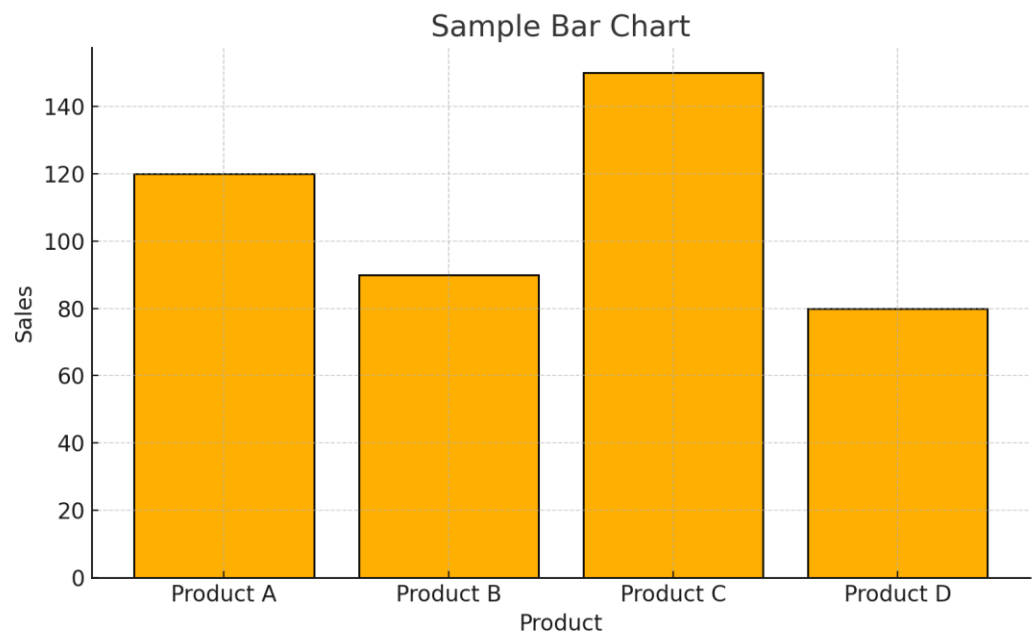

Density Plot

This section includes a visualization for Density Plot.

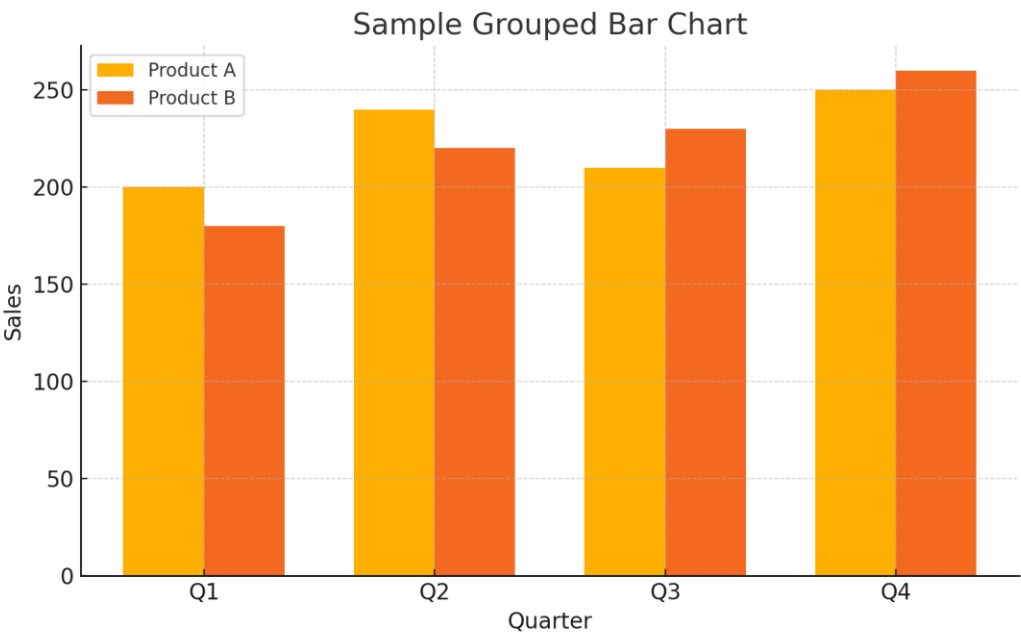

Bar Chart

This section includes a visualization for Bar Chart.

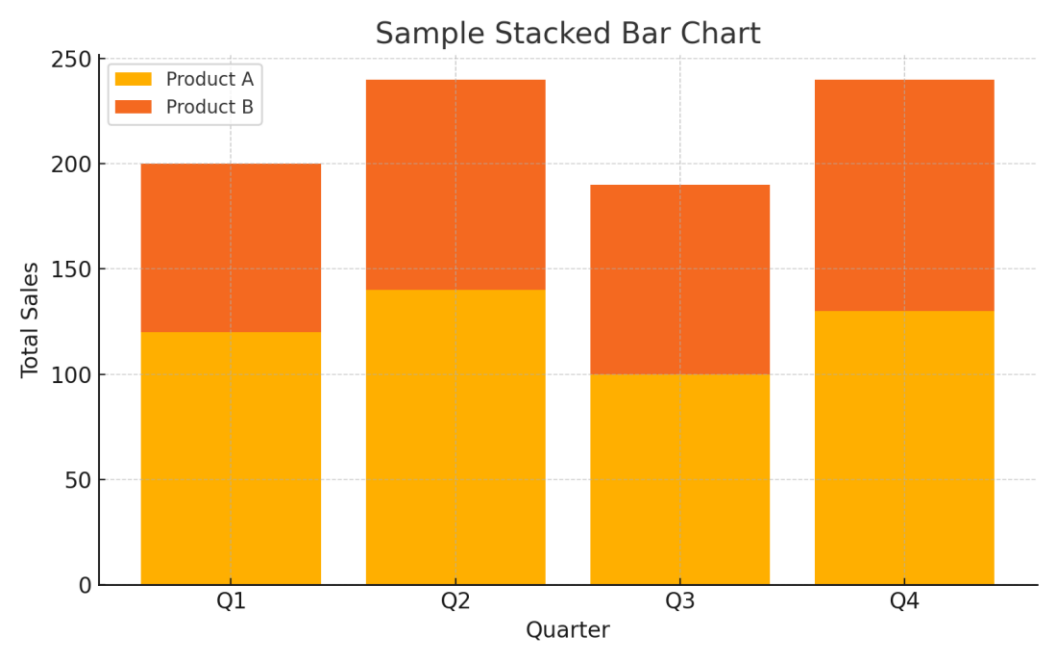

Grouped Bar Chart

This section includes a visualization for Grouped Bar Chart.

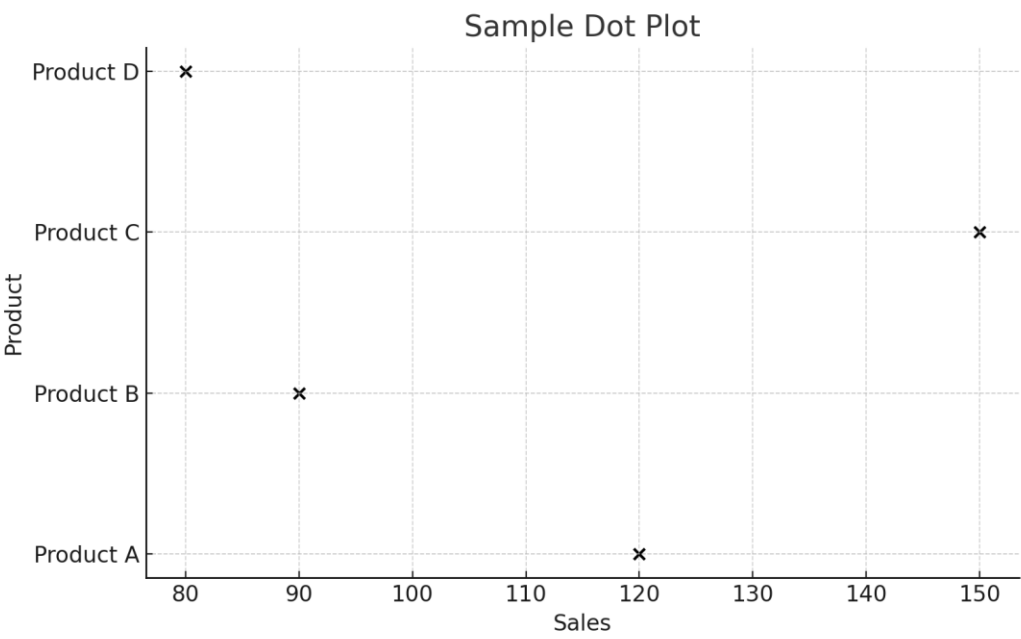

Stacked Bar Chart

This section includes a visualization for Stacked Bar Chart.

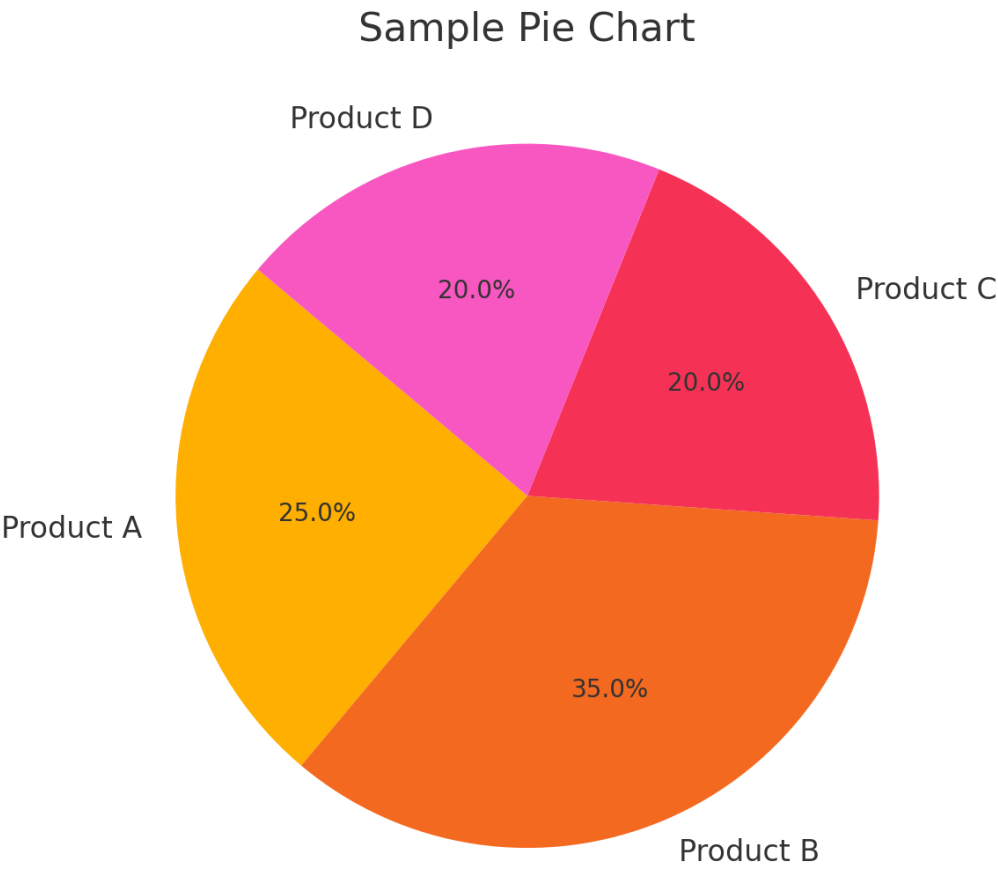

Dot Plot

This section includes a visualization for Dot Plot.

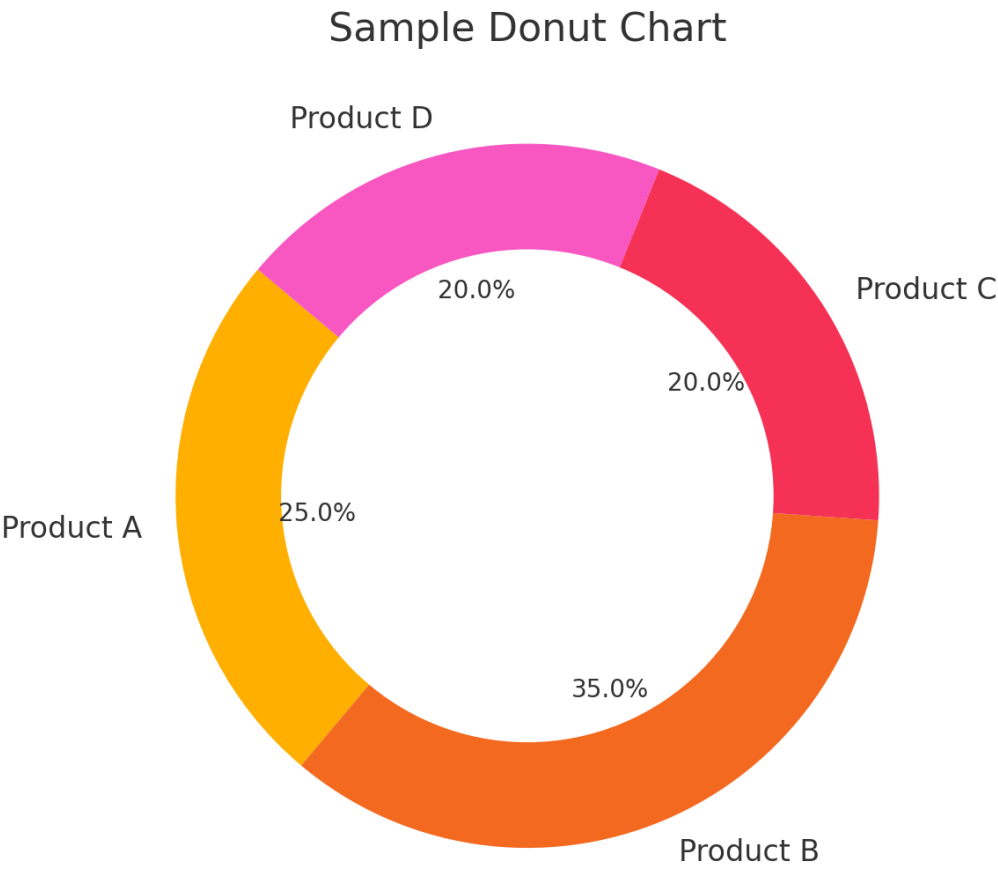

Pie Chart

This section includes a visualization for Pie Chart.

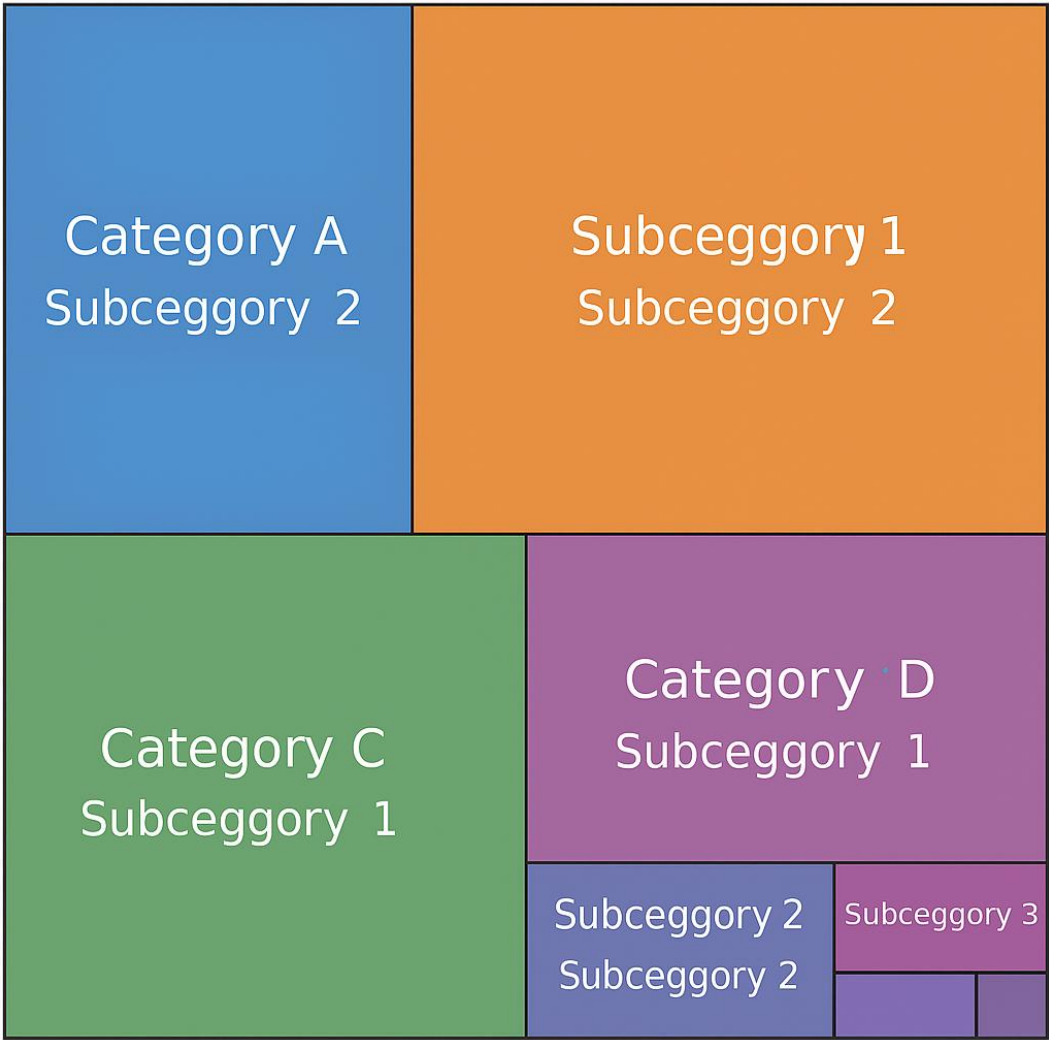

Donut Chart

This section includes a visualization for Donut Chart.

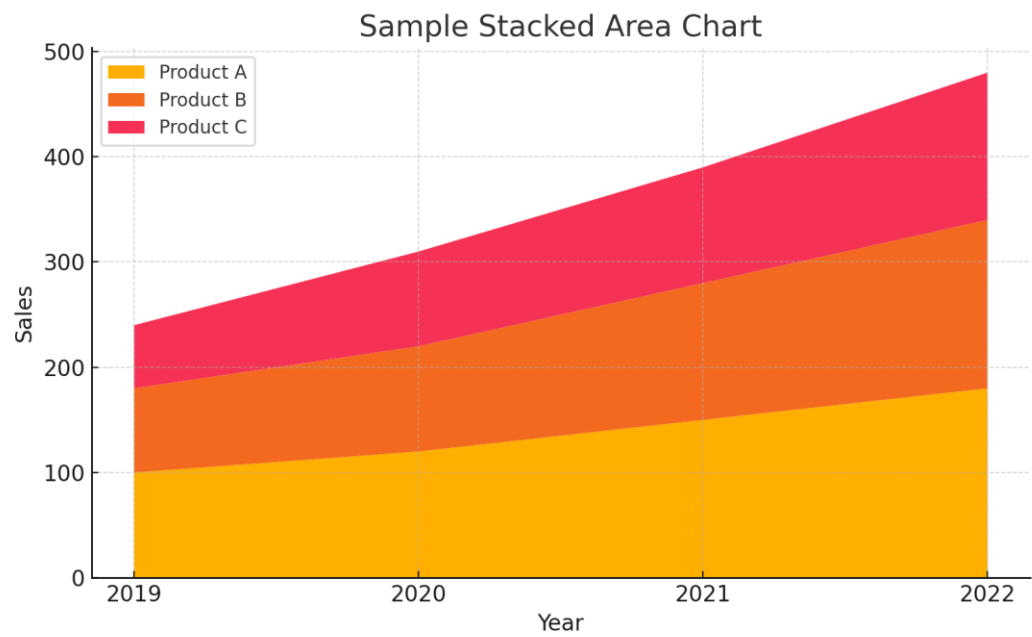

Treemap

This section includes a visualization for Treemap.

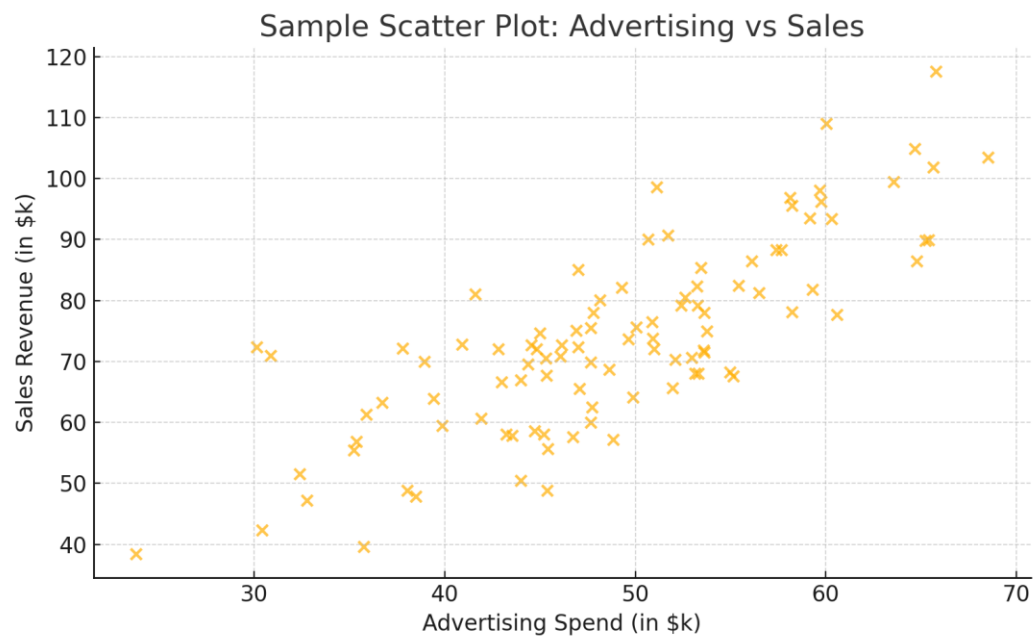

Stacked Area Chart

This section includes a visualization for Stacked Area Chart.

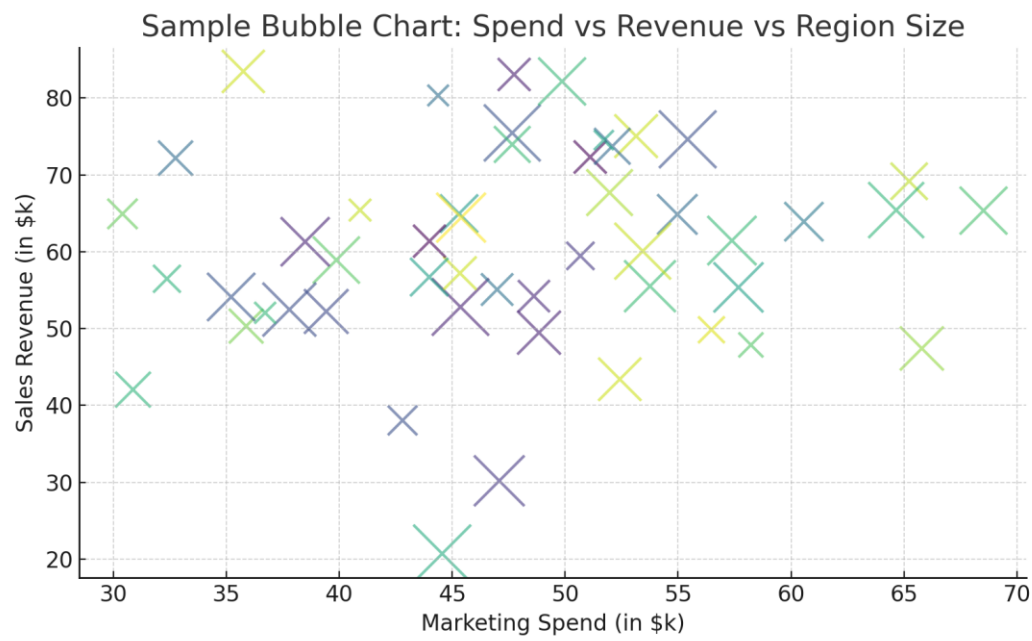

Scatter Plot

This section includes a visualization for Scatter Plot.

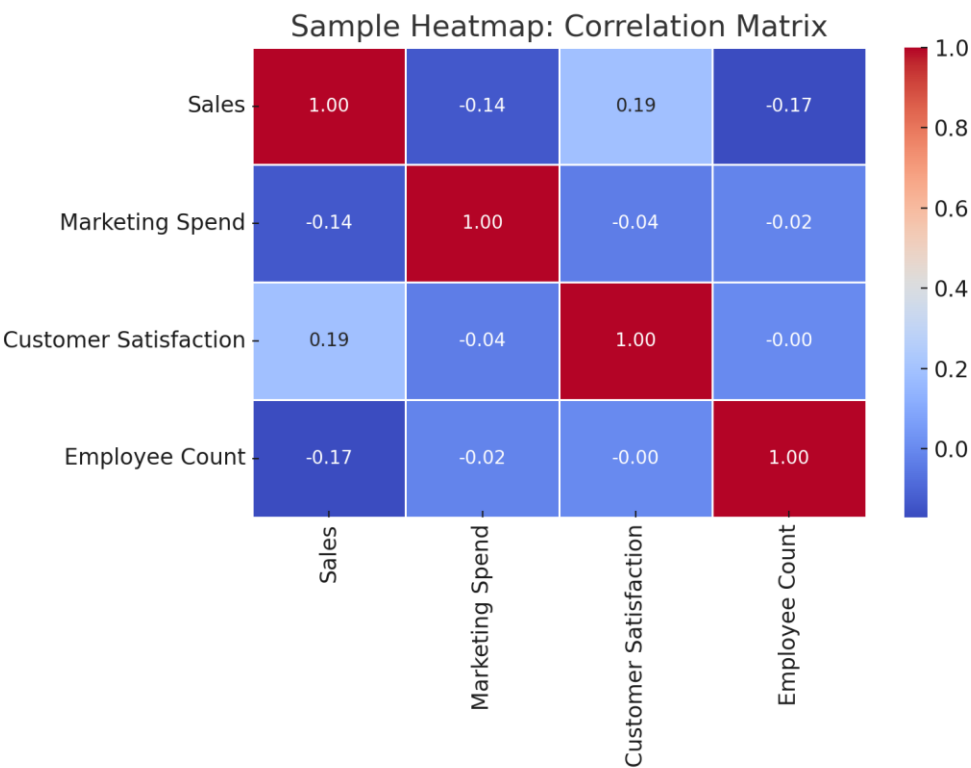

Bubble Chart

This section includes a visualization for Bubble Chart.

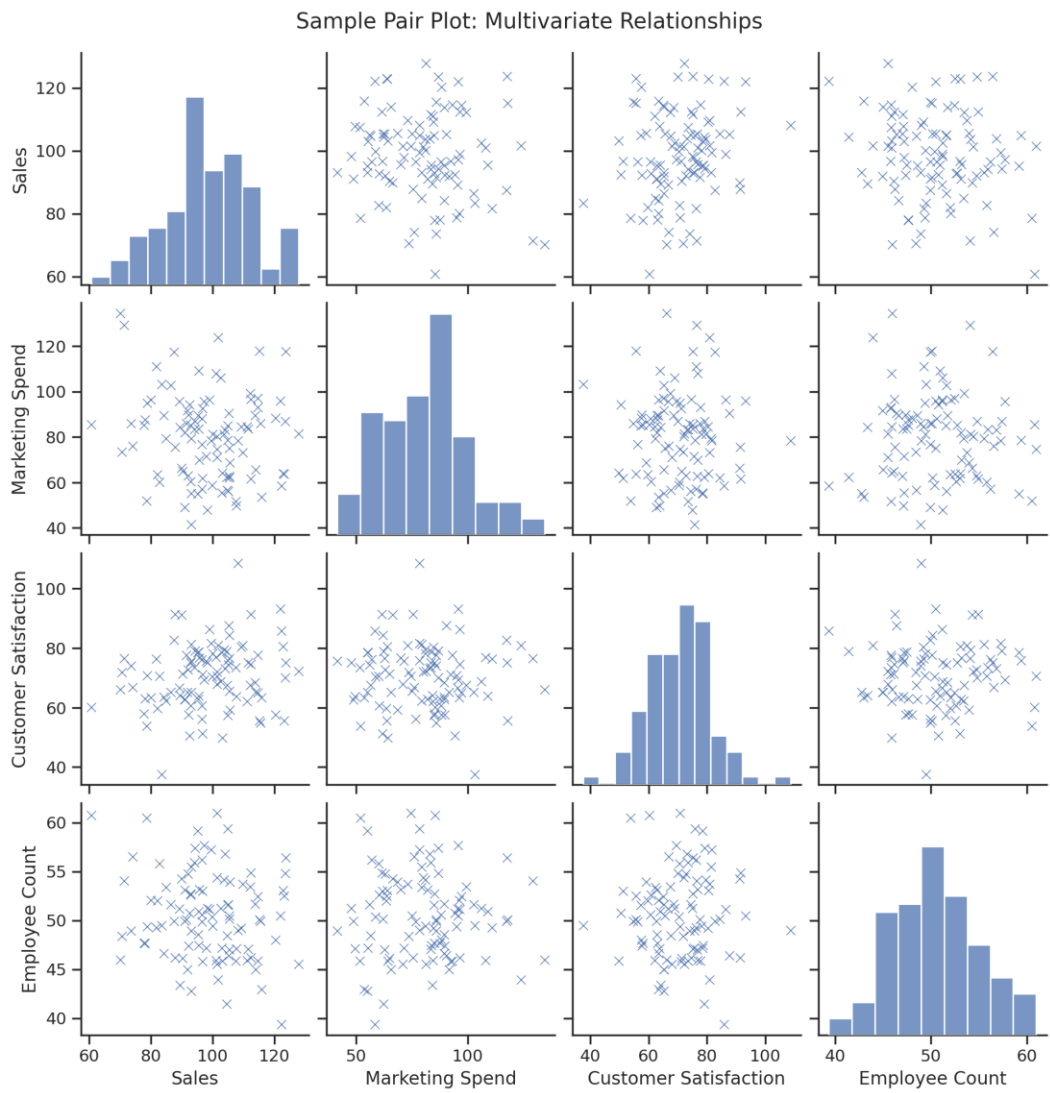

Heatmap

This section includes a visualization for Heatmap.

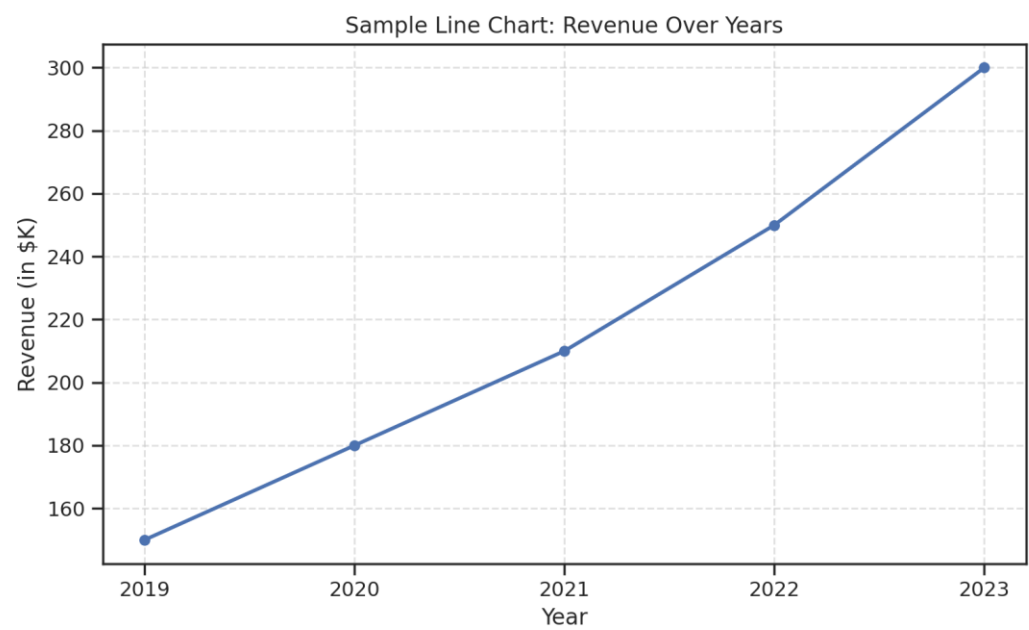

Pair Plot

This section includes a visualization for Pair Plot.

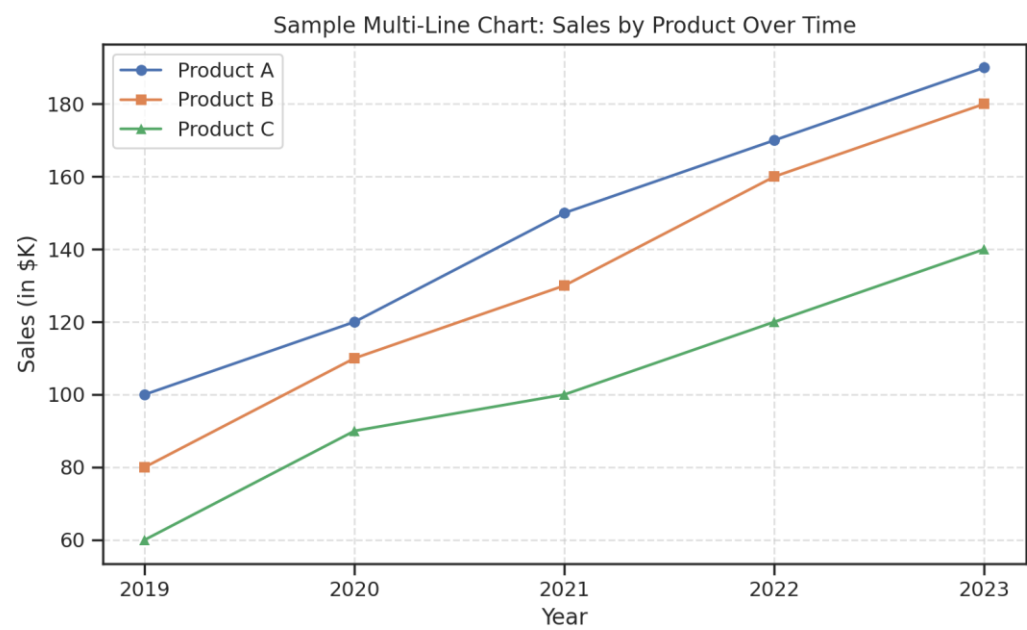

Line Chart

This section includes a visualization for Line Chart.

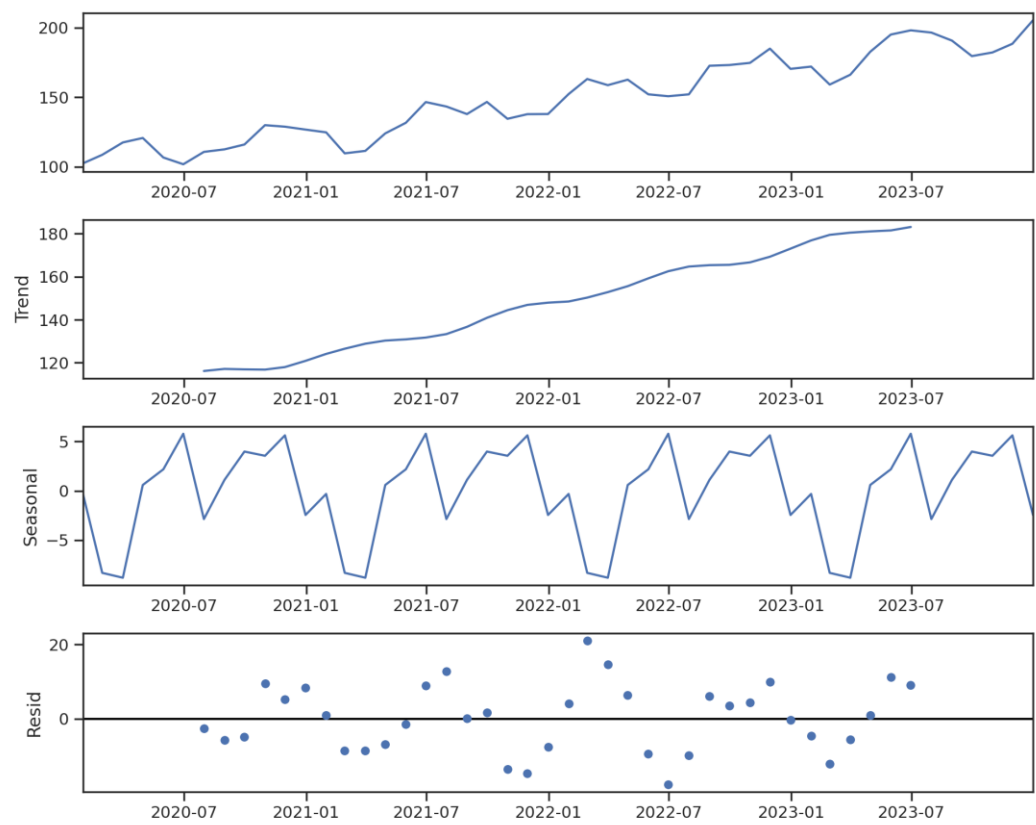

Multi-Line Chart

This section includes a visualization for Multi-Line Chart.

Time Series Decomposition Plot

This section includes a visualization for Time Series Decomposition Plot.

Radar Chart

This section includes a visualization for Radar Chart.

Sample Radar Chart: KPI Comparison
